

Overview: The Bow River Seniors Lodge is a 60 unit Supported Living (SL) facility in Canmore, Alberta: 30 units SL4 and 30 units SL4D. SE Health is recruiting a team of three Attending Physicians to support the residents. The site is scheduled to open in November 2022.

Job Title: Attending Physician

Job Description: The Attending Physician role, as it applies to the Seniors Living setting, is to provide clinical and physician services at Bow River Seniors Lodge including:

- Regular & consistent scheduled daytime, weekday visits, with sufficient time to deliver comprehensive care for all residents on your caseload (e.g., weekly or bi-weekly rounds)
- Documentation in PCC and communication with clinical leads at the time of visit
- Provide written orders and co-sign any verbal orders
- Participation in care conferences, care planning, and collaborative meetings with SE Health
- Participation in quality improvement programs (e.g., appropriate use of antipsychotics)
- Participate in 24/7 (days a week) on-call/after-hours coverage with a clear escalation plan
- Timely communication and collaboration with physicians to support clinical care
- Participate in collaborative meetings between SE Health leadership and physicians
- Arrange parking, Wifi, charting IS and a space to work when on-site
- Bring forward policy development to SE's Quality and Compliance Team

Caseload: 1:20

Qualifications:

- Previous experience as a practicing Primary Care Physician
- Excellent interpersonal, leadership and communication skills (written and verbal).
- Previous experience working within the AHS Supportive Living Physician Model
